## *First, A Word*

Every year, the *Brunalba* staff is faced with the difficult task of selecting a theme for the yearbook that pertains to the activities affecting our lives here at Carasauqua High School. After much consideration, this year's staff decided on a "soap opera" theme for our 1980 production. Now you may ask yourself, "What does this have to do with our daily routine here at school?" Well, let me explain. First, let us look at what the Thorndike-Barnhart High School Dictionary has to say:

SOAP OPERA (sōp op ə t ə ), n., a daytime television drama presented in serial form, usually featuring emotional domestic situations.

Since all our lives are characterized by emotional ups and downs, I think that the title *The Day of Our Lives* is an appropriate one.

From our first day of school until the very last, we face many emotional and, quite often, very dramatic situations. No one can ever forget that horrifying first day of kindergarten and the little girl in the back of the room crying for her mommy. As the days rolled on, we became more familiar and relaxed with the school atmosphere and even attempted to make new friends. However, the dramatics did not stop there.

In elementary school, we fell upon new emotional situations. We finally learned to read and were able to decipher those messages scribbled on the walls of public restrooms, and our parents could no longer spell things aloud to other adults which they did not want us to hear.

## From Our Sponsor

Much to our dismay, along with this vast amount of intellectual knowledge, came the dreaded oral book reports in front of the whole class! Remember those sweaty palms and the sudden urge to run to the lavatory? Around the fourth grade, we reached the point where we started to take notice of members of the opposite sex, be it good or bad. "Boy and Girl Germs" seemed to be a growing epidemic throughout the halls! Luckily, the number of hospital cases was limited!

With this sudden interest in boy-girl relationships came the trauma of our first kiss, which eventually led to our first lover's quarrel and a broken heart. But somehow we always managed to survive.

In high school, it was the rise in competition in sports, for high grades, and of course, for popularity that made things so unbearable. Many mind boggling questions began to worry our little heads . . . "Will I make the track team?" . . . "Is it possible to pass a calculus test?" . . . "Can we skip health class without getting caught?" . . . "Who will ask me to the dance on Friday night?" . . . For the answers to these and many more tormenting dilemmas, please stay tuned.

## So Close,

One day in the cold winter of 1979, the members of the class of 1980 began making only a few of the many decisions they will be faced with in the future. The senior class officers, Jim Schaffer, president, Alan Heckman, vice-president; Laura Plata, treasurer; Missy Fedor, secretary, and Angie Litra, historian, selected a few choices for each of the following categories that the seniors were to vote on. The following were chosen as the class colors, class flower, and class motto:

Chris . . . Bathroom lights . . . 1st time for everything . . . Mark's Datsun . . . knock, knock . . . districts . . . Skate-away . . . gang . . . Donna's Camaro . . . before track meets . . . grounds . . . Janie . . . Macungie . . . Anthony . . . 7/9/79 . . . Uncle George . . . Captain Jack . . . The Lake . . . Mick's Hotel . . . Billy-Bob . . . Chicky-Bob . . . the Emmy's . . . Scoop . . . crash . . . 2/8/80 . . . Sus . . . trip on the roof . . . Bullshead . . . Constitution Drive . . . trips to Philly . . . all the great times . . .

Track 1, 2, 3, 4 . . . Student Council 3

## It Was The It Was The

As second graders, the class of '80 saw January 1, 1970, as the dawning of a new decade. The 1970's brought with them many joyous as well as tragic events.

The tragedies of the '70's were extremely grim. A mounting inflation swept across the U.S. as unemployment soared to an all time high. Shortages of fuel limited travel across the nation. Charles Manson was put on trial for the murder of seven people and the country was appalled by the shocking news of the infamous Watergate Scandal.

The 1979's, however, were not a total disaster. A nation-wide campaign to control air pollution was of great interest to many. The world of politics was opened up to teenagers when eighteen year olds were given the right to vote. It was a time when mini-cars and midi-clothes were in vogue.

A disaster craze hit the movie scene with biggies such as *Earthquake*, *The Towering Inferno*, and *The Poseidon Adventure*. Then there was the science fiction trend with *Star Wars*, *Close Encounters of the Third Kind*, and *Star Trek*.

Names such as Tony Orlando and Dawn, the Bee Gees, and Barry Manilow rocked the music world and kept America dancing. Styles ranged from the "Dump" to the swirls and twirls of disco.

## Best Of Times, Worst Of Times!

On July 4, 1976, patriots from everywhere joined in the celebration of the Bicentennial. And in November, 1979, they prayed for the release of the hostages in Iran.

Memories of the past decade will fade slightly, but will never be completely erased from our minds.

## Going For

What started in the year 1928? Strumped???

That was the first year the Olympics took place. Since then, they have been held in a different country every four years. This year, athletes from all over the world gathered at Lake Placid, New York for the XIII Winter Olympic Games.

Over the years, Americans have witnessed several outstanding performances from members of the United States' teams. Jesse Owens sprinted across the finish line capturing first place for the U.S. In 1972, Mark Spitz won seven gold medals in various swimming events. The gracefully elegant Dorothy Hamill and Peggy Fleming astounded the world with their brilliant performances on the ice.

This year, at Lake Placid, The Americans experienced both disappointments and joys during the Games. The U.S. had high hopes for Golden performances in figure skating. But Linda Fratianne finished a heartbreaking second behind Annett Poetsche, and Tai Babilonia and Randy Gardner, the critics' choice to overcome Rodnina and Zaitzev from the U.S.S.R., were forced to withdraw from the competition due to injury.

# The Gold!

The American hockey team surprised everyone with its first place finish after defeating the formidable Russian team and outpacing the rest of their opponents with their team spirit and outstanding play. Eric Heiden, in speed skating, became the first individual ever to earn five gold medals in any Olympic games. It is apparent that, in 1980, Americans got "gold rush fever" and went for the gold at the 1980 Lake Placid Games.

## Our Hopes

"What do I want to be when I grow up?", is a choice we had as kids. But now, as Graduation Day approaches, we Seniors have to take this question more seriously, although many of us have probably already found the goals we were looking for so diligently.

Marriage, secretarial/office jobs, factory work, etc. are all possibilities which some of us will encounter in the near future. For others, further education can be obtained in the various types of colleges the state has to offer. Millersville, Penn State, Pitt, Bloomsburg, Kutztown, Allentown, Temple, ICCB, Muhlenberg, Lafayette, and East Stroudsburg are among the most popular choices for those pursuing a career which requires a higher level of academic study. Fields in this area may range from the teaching profession to an occupation in husbandry, which deals with the management of domestic affairs and resources.

There are various opportunities in business ranging from interi-  
or design to business administration, which require the atten-  
tion only business colleges such as Churchman's Business  
School, International Fine Arts College, and New York Institute  
of Technology can give.

## For The Future

Finally, there are graduates who wish to go in a completely different direction and serve our country in one of the Armed Forces, be it the Navy, Air Force, Army, or Marines. As can be seen, there are vast areas of opportunities which many of us will explore. Good Luck to the Class of '80 in whatever you decide to do.

## Wake Us In

Finally, after three years as underclassmen, the members of the Class of '80 gained their senior lounge privileges. The seniors reached the epitome of high school days — spending study halls in the lounge instead of dull, boring classrooms.

Dull and boring are the last two words that could be used to describe what goes on in the lounge. Of course, much studying and cramming for tests excited, just as it did in the regular study halls. But in the lounge, anything goes!

Flesh piles ranked number one on the list for pastimes. Male-female fights and harassment were another attraction. And when the rowdies calmed down, it was not unusual to find them sleeping.

Some lounge members were notorious for their big mouths that kept them in constant trouble with the office. Others were known for feeding the animals. Some brought candy, Fritos, doughnuts, pretzels and various others goodies to distribute throughout the lounge.

# Time For The Weekend!

Holidays were regular parties. The decorating committee adorned the lounge with all sorts of goodies suited to every occasion. During the Christmas season, the seniors had their own tree, and strings of lights lined the windows and doors. On Valentine's Day, hearts and couples' names were posted all over the lounge walls, and during the Thanksgiving psyche-up celebration, streamers and signs were everywhere.

All of this and much more became a part of the seniors terrific memories of their lounge.

## Women And

The United States' unstable relations with Iran caused reconsideration of an enforcement of the draft. This draft would not be like any other though; this one would include women as well as men in the troops preparing for battle.

Equal rights for women has been a big dispute in the U.S.A. for the past couple of years. Women believe they should be treated equally; they feel they should have the same wages for any job they wish to do, they should earn the same respect in the business world that men receive, and they should benefit from the same opportunities that men have in all walks of life. These opportunities include going to war, just like the male population of the nation.

These opinions, however, are not those of everyone. Many women enjoy their roles in life and are very content with being wives and mothers. Congress also considers the fact that women may not be capable in combat.

The amendment has not been passed in all states, and Congress has not passed the draft

wants YOU!

## The Draft

including women. But no one knows what the future holds for women. By the time the U.S.A. goes to war again, women may be expected to go also; either on the battle field, or in the hospitals backing up the front lines.

Women have proven themselves equal to men in many situations, so in a little more time, they may be proving themselves just as capable as soldiers.

## Music Trends

During the last few years, high school students listened to the fast, light beat of disco, which always was heard on the radio and at school dances. These songs satisfied our desires and kept us content until a New Wave of music hit so suddenly that the word "disco" became obsolete. What was this type of new music, with its heavy dash of guitars and special effects? You guessed it — hard rock and punk. A drastic change had occurred in the music world and these new groups became the seeds of a new revolution.

The punk style brought about both strange and odd things. One was the practice of wearing safety pins on pants, jackets, and even purses. The hair styles changed from waves and curls to a short, clipped style. Some people even dyed their hair flamboyant colors — red, orange, and blue. The leather jackets and chains of the 1950's became popular again in the world of punk rockers.

The "in" groups ranged from Sister Sledge and Donna Summers to new acts like The Ramones,

## Of The Decade

and The Clash. Even some old favorites stayed  
alive — Led Zeppelin, Ted Nugent, and Pink  
Floyd, who album *The Wall* hit number one in-  
stantly.

These new groups have brought about changes  
to us, but will they affect us in the future or die  
away like disco and other forms of rock have?  
The decade of the '80's will tell.

## Olympic Hope

Mike Jones, a junior at Catasauqua High School, could be Olympic material for a future hockey team. His skating career began 8 years ago on the Carry frozen canal near his house. Five years ago, he started playing street hockey after being inspired by a Rangers' game on television. He put the two together and acquired his talent at ice hockey. Mike plays at Alberth Ice Palace for the Delaware Valley and New Jersey area team. His future plans include attending the Lake Huron Hockey Camp in Canada this July, and gaining a position on the Lehigh Valley Comets division team.

As the 13th Winter Olympics rolled into Lake Placid NY in February of 1980, the United States looked ahead desperately for a possible bronze medal in the hockey competition. This seemed to be the only chance of a medal for the young and inexperienced group of college kids who had just been demolished by a devastating Soviet team, 10-3, less than a week before the Olympic competition began. But in light of this fact, the nervous American youngsters pulled out a startling 2-2 tie with Sweden.

Mike Jones - our next Olympic hope?

# For The Future

After this and the first quarter of their next game against the second-seeded Czechoslovakians, the Americans suddenly relaxed and started playing their own game. They went on to upset the powerful Czechs 7-3. Their next victims were the Norwegians, whom they defeated 5-1, Romania 7-2, and West Germany 4-2. With these impressive wins, they qualified for the medal round but unfortunately were matched against the top-seeded USSR in the opening match. Although they were behind most of the game, they pulled away miraculously in the final period and stunned the sportsworld with a 4-3 victory. They still had to face a hard-checking Finnish team to gain the impossible, the gold medal. Led by Jim Craig and Mark Johnson, the came from behind again to rout the Finns 4-2, and capture the gold medal which they accepted in front of a jam-packed, Stars and Stripe waving crowd and worldwide television viewers. Hopefully, this hockey trend will continue in the future Olympics, and Mike Jones will be a part of the victory and American pride.

Jim Craig - America's pride.

## *Fashion Fads*

Fashion, by definition, is the current style or mode of dress, speech, and conduct. Whether we know it or not, the fashions of the world are reflected even in a small school like ours. In terms of body attire, baggy and designer jeans adorn female forms everywhere, and velour shirts and thick "preppie" wool sweaters are enjoying widespread popularity. To accent the female ensemble, oversize blazers and neckties are added.

As for the latest shoe fashions, female (as well as male) feet everywhere are contained in favorites such as various styles of sneakers, heavy duty hiking boots, docksides, and wooden clogs. For the guys, fashion remains constant. Tee-shirts bearing the logos of everything imaginable show off the male physique and blue jeans are still the mode.

## Of 1980

With the increasing popularity of punk rock, students are donning a conglomerate of ties, blazers, suspenders, and of course, safety pins.

The current hair styles are becoming shorter also, as a result of the punk style, and the plair-ed "Bo Derek" look is gaining followers. All in all, fashion is a changing world and we at Cata-sauqua are doing our best to keep "in style".

## Give Our Regards

Some of the seniors' most enjoyable and memorable times were the ones spent on one day trips to New York. Each trip served as an educational experience, relaxation, and a break from school, but most of all, tons of fun.

The bus left faithfully at 8:00 A.M. and arrived in New York at 10:00. Students disembarked in front of Radio City Music Hall and dispersed throughout the area in a matter of seconds. Everyone was on their own until the 2:45 rendezvous in front of the theatre. This was the highlight of each trip. All plays seen, like *Peter Pan* and *Deathtrap*, were thoroughly enjoyed by all.

Before each day, the seniors visited the sights and scenes of their choice. The World Trade Center observation deck, the Empire State Building, the New York Experience, Saks Department Store, the "punk" shops, the various museums, and Central Park were all favorites of the student populous. Most groups munched out after exploring the city during their free hours. Beefsteak Charlie's, Tad's, and good ole McDonald's served as big eating favorites.

# To Broadway

After the play, everyone welcomed the long ride home, as they were exhausted after a day of New York scurrying. A dinner break at Somerville Inn served as a refueling spot and a pleasant switch from the road for the weary travelers. Finally, after stuffing themselves once more, all returned home to Castasauqua High School. Majority ruled, and majority always said they had a great time!

## Ode To The

As the bell sounds, herds of hungry students stampede across the bridge and down the stairs. What's all this commotion about? It's lunch time at Carry High and everyone is anxious to see what is on the menu for the day. Could it be oven brown chicken or meat ravioli in tomato sauce? A typical Friday lunch consists of fish, a hoogie or pizza accompanied by green beans, creamed cabbage, a fresh apple and milk. A grueling task for new freshmen is deciding whether to choose chocolate, white, or non-fat milk.

The peach-peanut butter salad is a specialty here in our cafeteria. It contains a peach half and a spoonful of chewy peanut butter. Truly delicious! Another all-time favorite is the assorted pastries which offers the student a choice of a piece of cake or a cookie!

This year the school cafeteria tried new frozen vegies. Everyone seemed to think they brightened up the meals, making them a real treat. A popular topic around the school is the ever-famous patty. These cute devils with their clever little shapes are

## All-Purpose Pattie

often used as examples in Mrs. Lambert vocabulary class! What is really unique is that each different shape has its very own name such as pork, chuck, chicken or beef & bacon patty.

Although given a wide variety of apperizing dishes, some students and teachers still prefer to brown bag it!!

## You've Come A

Graduation?!? Already?? It's very hard to believe that the Class of '80 is ready to graduate from high school and p;unge into the complex world of adulthood. Why, it seems like only yesterday that we entered the good ole North Carry school building for our big first day of kindergarten. Sharing common interests and flocking around in our specific cliques, we were all very much alike.

Remember Trooper Rosseye and his amazing team of German Shepherds, getting off three afternoons for parent-teacher conferences, our own construction of the human ear in Mrs. Black's fifth grade health class, "Good Morning, Mrs. Bittner!", slambooks and wacky pack stickers, the big nose and our debut as germs in Mrs. DeHaven's class, when Andy played Santa in the Christmas show, those great PTA ice cream festivals, the Middle School Review, those silly commercials, hiding people's gym stuff and having to stay after school, Miss Costello's famous fiestas with tortillas and the whole pit, when Shipe yelled "Fire!" and Miss Petrokovic got hysterical, collecting rock bugs and leaves, Mr. Semmel's cows and Basically!, Mr. Buss's "Pride and Joy", taping Rick and Mike's chairs to their desks, trying to beat the record in the necking contests, "Seasons in the Sun", the annual track meets, getting detention for chewing gum in the lunchroom, losing your token, running to home-ec to get a sewing machine, poisoning Miss Menio, go up the DOWN staircase, when Mrs. Perdick broke the salt shaker, spelling bees, the glossary game and the amoeba game with the prize of getting a drink of water, Fruity's class, firedrills, when Kathy

# Long Way Seniors

and Lisa tied their shoes together before going on a field trip, finally getting to wear shorts to school if they reached your knees!, the teacher's strike, winning the Spirit Stick, singing to the stereo in cafeteria, and the teacher who reminds us most of the Great Pumpkin!!

Then we were promoted to the high school, still in our same cliques as Freshmen, but by the time we were seniors, those inseparable buddies with practically carbon copied interests have now budded into typists, mechanics, doctors, police, yearbook article writers!!! Wow!

## The Team With Determination

The 1979 Rough Rider football season at Carasauqua brought many tense and exciting moments. The Roughies came firing out of the starting gate with a thrilling 7-6 victory over an impressive and aggressive Pius X team. Even though the Roughies dropped three of the next five games, the hard work paid off in the end as rookie coach Ed Csencsits and his assistants guided the Roughies to a strong finish, ending the season with an overall record of 6-4-1. All season long the Roughies featured a solid ground game with running backs "Smiley" Sell and Fred Hutterer. When they decided to go to the air, quarterback Carl Erie had sure-handed receivers to go to in Mike Ball, Mick Firestone, Jim Schaffer, Mike Schwenk, and Blair Feher.

One of the major highlights of the season was a 27-19 victory over previously unbeaten arch-rival Wilson Boro. In the game the Roughies featured a very impressive stalwart defense and a highly explosive offense.

## JV's Undefeated Champs

The Carasauqua Jayvee football team proved to be awesome as they trounced all of their opponents and went on to an undefeated season which brought their overall record to 11-0. The Roughies were led by a balanced running game which featured a powerhouse backfield including Ryan Rogusky, Chris Gerhard, and Bill Coolbaugh. The aerial attack, led by quarterback Marty Mittura, gave the Roughies an explosive offense which scored a total of 307 points. The Rough Riders defense played impressively all season long and held their opponents to a meager 46 points with 5 shutouts.

This season marked the second consecutive Colonial League Championship for veteran coaches May and Hawrylo. Highlighting the season was an exciting victory over Nazareth. The season reached its climax as Carasauqua totally humiliated arch-rival Northampton.

Next year's season looks brights as this team joins an excellent crop of seniors.

Barrels boots another one into the endzone.

## Best Record Ever For Frosh!

This year's turnout for the freshmen football team was very small in number but they worked hard to grow as a unit and, in the end, proved numbers or size mean nothing by wrapping up their first high school season with a very impressive 7-0-1 record. These win-loss statistics were the best ever posted by a freshman football team.

The Roughies, under the watchful eyes of veteran coach Bob Hassler and newcomer Stanley Kira, dominated the majority of their opponents and showed excellent poise when crucial moments and "do-or-die" situations arose.

The only blemish on their record was a hard fought contest which ended in a tie against their much larger opponents - The Whitehall Zephyrs. They also had an impressive win over their archrivals from Northampton.

## Cross Country Run To Successful Season

With a 17 win, 4 loss record, the 1979 boys cross-country team had the most successful season in the school's history. Coached by Mr. Al Heller, the team showed consistent strength and depth throughout the season. In Colonial League action the team tied Southern Lehigh for second place behind champion Palisades High School. The Rough Riders placed second in the league championship meet at our home course.

Scoring for Catasauqua in the league meet were Seniors Scott Harford, team captain, in sixth place,; Rick Moser, eleventh; and Bernie Cunningham, fifteenth, Juniors Mike MacLaughlin and Frank Troxell finished seventeenth and thirty fourth respectively. Sophomores Don Seyfried and Mark Ramsey were twelfth and thirteenth in the league race. These boys were consistent scorers for this year's team.

In the District XI race, Catasauqua finished seventh, the school's best finish thus far.

Scott Harford gives Mr. Strein his autograph.

# Three Miles To Victory!

## Girls Cross Country Runs To Championship.

The 1979 girls cross country team, coached by Al Heller, finished the season with only one loss and tied for the Colonial League Championship. The girls faced rough competitors every meet, but in the end their hard work paid off as they won second place in the District XI meet. This impressive finish qualified them for the state meet at Indiantown Gap. The team waded through a muddy course, but amid lost shoes and falls they earned fifteenth place.

Top runners for the year included Senior team captain Marianne Sands, who earned fourth place at leagues; Junior Pam Bowen, who tallied the most individual points on the team, and Sophomore Cara Slutter.

Next year the team hopes to repeat their stellar performance by successfully defending their Colonial League title. Returning along with Pam Bowen and Cara Slutter is Sophomore Debbie Washburn, who sustained an injury in the midst of this year's competition.

The future indeed looks bright for the Female Cross Country Roughies!

Row one from left to right: Cathy Corcoran, Lori Schadler, Stephanie Deily, Pam Bowen, Row two: Lisa Reichl, Mgr., Laurie Harford, Marianne Sands, Shelly Schuler, Deb Washburn, Cora Slutter, Denise Geist, Coach Al Heller.

# One Goal to Score!

## Field Hockey Does It Again

Last year the girls won the Colonial League title hands down. Before the season started this year, the girls knew that everyone would be out to defeat them.

When practice started in August, there was one big question in Coach Phyllis Miller's mind — "Could the Roughies do it again?" No one was sure except for the girls, who set out to prove they were number one. They immediately convinced everyone by winning eight straight games until they suffered a heartbreaking 1-0 loss to Saucon Valley. This loss seemed to inspire the girls as they went on to win their final seven games of the regulation season. They finished with an impressive 15-1 record, a record good enough to be Colonial League Champions and earn a spot in the district playoffs.

The girls, ranked number one in the district, faced Easton in the first round of playoffs. Unfortunately, they walked away dejectedly as a result of an Easton upset. The team was handed a 2-1 loss during regulation time on a Easton penalty stroke.

Although the season ended on a low note, no one can take the team's well-deserved Colonial League Championship away. The girls worked hard all year to achieve the goal they had set from the start. The team should be commended for outstanding performances exhibited through the entire season.

Row one from left to right: Judi Churetta, Kelli Wyker, Holly Walker, Jane Schubert, Sue Miller, Judy Bowen, Eileen Luchansky, Lisa Lambert, Row two: LeeAnn Oranczak, Jill Millhouse, Sheri Hahn, Debbie Krouse, Lori James, Mary Ann Ber, Karen Chromiak, Gina Klotz, Row 3: Coach Haines, Beth Case, Ann Markowitz, Kathy Carpenter, Suzanne Miller, Donna Krouse, Regina Sands, Coach Miller.

"Doc"

Below: Coach Haines asks: "Are you talking to me?"

Debbie Krouse fights for the ball.

# One Goal To Score!

The jayvee field hockey team had a successful season boasting an impressive 7-2-4 record. The team, which started practicing in August, was optimistic at the beginning of practices, but as the season progressed they became more confident of their playing skills. Coach Haines attributed the girls' success to hard work and determination.

The girls produced an excellent defense which was led by Goalie Jan Manley, who, through the duration of the year, gave up only four goals. On the offensive side of things, the jayvees were overpowering-scoring 11 goals. The girls racked up six shutouts but the highlight of the season was a hard fought 3-2 victory over an impressive Bangor team.

The winning tradition of our girls field hockey team will be kept alive in the future by the enthusiasm and determination of the upcoming underclassmen.

It's hard to play with an invisible ball.

## Golf Team Swings Into Action

The Carasauqua Rough Rider golf team may not have had their best season ever, but at least they had fun playing golf all season long and getting the chance to compete against other teams. Although they had an up and down season, they finished with a 5-9 overall record.

The team, which is young, is still improving. Of the five starting golfers this year, four of them plus a substitute will return. Joe Albright, Scott Albright, Joe Harakal, Steve Edmunds, and Bob Miller will all return. These players give the Rough Riders a light at the end of the long, dark tunnel to success.

The seniors on this year's team were Alan Heckman, who had a decent year overall, finishing second at the League Meet in his flight, and Brad Hayman, who came to the team as a walk on during the season, helping the team win a few non-league matches. Due to the dedication of the players that will be back next year, Carasauqua Golf has a good outlook for the future.

Alan Heckman gives it his best shot.

## The Team That Never Quit

The Varsity basketball team started the season off slowly, but showed steady improvement as the season progressed, and finished with a 10-13 record. Since most of the players were on the football team the squad had only three days to practice as a team before the first game. In this game, the Roughies lost a hard fought battle to Palmerton, who later went on to win the District XI Championship. Coach John Tominosky, along with Dan Tannous, kept the team's morale up through their slow start, and then with victories over Salisbury, Slatington, and East Stroudsburg, the Roughies proved to the rest of the Colonial League that they were not to be taken lightly.

This year's basketball team which was noted for its aggressive and physical style of play, was never out-rebounded by any opponent even though most of them were physically bigger. The Rough Riders were led by seniors Mick Firestone, "Smiley" Sell, team captain Jim Schaffer, and All Colonial League Honorable Mentions, Glenn Shipe and Carl Horn. Horn was also a McDonald's All-Star nominee. Next year looks bright as Bob Plara, Frank Troxell and Mark Heffner are joined by an impressive JV team.

## Jayvees Do It Better

The Carasauqua JV Basketball team tied for the Colonial JV Championship with a 19-4 record. This squad, which lacked in height, used intelligence, poise, and teamwork to defeat opponents who appeared to have more talent than them. Under the direction of Coach Charles Post, the Roughies pulled out many exciting victories. The most thrilling win was a 51-50 upset over Dieruff.

The Rough Riders played a very disciplined game in order to beat the Huskies, who were thought by some to be one of the best JV teams in the area. In spite of the excellent record sported by the Roughies, they showed great improvement as the season progressed. They used a strong finish at the end of their season to tie for the League Championship with Saucon Valley and Salisbury.

## The Team That Couldn't Lose

This year's freshmen basketball team fell nothing short of spectacular, winding up the season with a 19-0 record. Rookie Coach Bob Bydlon put in long, hard hours on his undefeated team, who totally dominated against all their opponents, except for two close games against Salisbury and Whitehall. In spite of losing two key players to the JV and Varsity ranks, Coach Bydlon used the talents of his team to the utmost. There's no doubt in the minds of the coaches that the future of the basketball teams of Carasauqua is indeed bright and championship bound.

## One Season To Remember!

## The Team With Determination

The girls' basketball team ended the year disappointed as they fell a few points short of making the District XI playoffs. They did, however, finish their season with an impressive 14-8 record.

Throughout the season, there was a balanced team effort under the leadership of co-captains Judy Bowen and Sue Miller. As a result of their team efforts, they scored a commanding 1,155 points on offense and held their opponents to 1,108 points with their stingy defense.

There were two exciting victories when the girls just got by Pen Argyl 41-39 and nipped Saucon Valley 42-41. The highlight of their season was a winning streak of 9 out of 10 games.

The girls, who were guided by veteran Coach Will Peifly, weren't expected to do well this year due to a lack of height. But, they came on strong when Peifly opened up his playbook to prove you don't need height to win.

Row one from left to right: Eileen Luchansky, Deb Krouse, Sue Miller, Judy Bowen, Lisa Lambert, Row two: Michelle Heffner, Karen James, Nancy Shipe, Margaret Decker, Lori James, Jill Scheertz, Row three: Coach Chris Thomas, Coach Will Peifly

## Building For The Future

The girls' JV basketball team, which was coached by Chris Thomas, had a good year, ending with a solid 15-7 overall record. The team, which really had no one star, always played as a unit and were constantly switching starters as the season progressed. The girls worked hard from the time practices started and it paid off as they won their first five games only to have the streak ended in a heartbreaking 44-47 loss to Bangor. The highlight of the girls' season was an exciting one point victory over Palisades 37-36. The girls managed to pull out another one point squeaker against Nazareth 27-26.

The girls' teamwork paid off as their potent offense racked up 870 overall points while their stalwart defense allowed only 722 points. Due to the dedication and hard work of these girls, Catasauqua Girls' Basketball has a bright outlook for the future.

## Jayvees Prove They Can Do It Too

The Carasauqua JV wrestling squad jumped out to a quick 4-0 start on the way to a shining 15-3 record and a second place finish in the Colonial League.

After two disappointing losses to Nazareth and Northampton, the Roughies recovered to win 11 out of their last 12 matches. They started out on the right note with a 66-0 trouncing of Pleasant Valley and on the way through the season posted impressive victories over Brandywine 58-10, Bangor 52-12, Central Catholic 57-9, Pius X 50-14, Solehi 48-9, and a stunning 66-0 shutout of Palisades. Putting the icing on a sparkling season, the Roughies gained a 42-24 hard fought victory over Wilson and soundly defeated Quakertown 35-19.

Barry Lovelace, who went undefeated 18-0, was backed by teammates Bill Wittman, Mike Ladick, and Cort Lansenderfer, who all had 17-1 records. Ed Bruchak, 16-1-1, also added support along with Tim Cunningham, 15-3, who was also a Colonial League Tournament runner-up.

Coach Villani led his young men to a 7-1 league record and an 8-2 nonleague record. It will be a tough record for next year's team to bear.

## *A Team With Guts*

After a slow 3-5 start, and fourth place in the Colonial League, the Roughie wrestlers turned it around and posted an impressive 6-4 non-league record, including a season opening 52-9 rout of Pleasant Valley, a 35-16 upset of previously unbeaten Pius X and a powerhouse victory over Panther Valley, 51-9.

Senior co-captain Bill Bretz led the mighty Rough Rider matmen to an admirable 9-9 overall win-loss record for the 79-80 wrestling season. The individual efforts of Bretz overshadowed the team showing as he captured first place in the 167-pound weight class in the Colonial League. Carasauqua also landed some other finishers in the League tournament. They were heavyweight Keith Laudenslager, 94-pounder Tim Cunningham, and 129-pounder Chris Gerhard, who all grabbed the second place spot in their weight classes.

In addition to the capture of first place by Bretz and the second place finishes of Laudenslager, Cunningham, and Gerhard, the team took fourth place in the Colonial League Tournament with the help of these wrestlers and a little extra support from the fourth place finishes of Joe Lovelace, Frank Schloffer, Barry Lovelace, and Cort Lansenderfer.

Keeping his eyes on a possible berth in the state tournament, Bill Bretz added a first place District finish and a second place in the Northeast Regionals to his gold medal for the Colonial League tourney. All of his hard work and help from Coach Jim Angeline paid off as he qualified for the state meet. On the trek to Hershey for the state tournament, he amassed a record of 26-4 with 18 pins along the way. His 18 pins placed him third in the Lehigh Valley in that category. However, his crowning achievement was being named the Most Outstanding Wrestler in the District XI Tournament.

"Boy, am I glad to see you!"

## A Team With Determination

As the Carasauqua track team set out to start the season, everyone figured it would be a rebuilding year for the Roughies, but they fooled everyone by just falling short of the Colonial League crown. Their hard work and determination paid off as they wound up the season with a fine 9-2 overall record.

By copping the Carry Relays, the boys set the stage for a dramatic rematch with Palisades, in which the stakes would be the Colonial League championship. In the rematch, the Roughies lost a heartbreaker by only a few points, but the huge crowd in attendance couldn't help but feel proud of the great courage the Roughies displayed.

The Carasauqua track team had its share of individual champions in the 1980 season. Ted Sponsler captured first place in both leagues and districts in the javelin while Jeff Scherer took top honors in leagues and districts in the triple jump. Jeff, along with Mike Schwenk, Joe Yaneck, and Russ Tabor, won the Colonial League in the 400 meter relay. Freshman Pat MacLaughlin won the league in the pole vault along with a second place finish in the districts.

## Colonial League's Best!

This year's girls' track team swept through the league with a record of 8-0 as they copped their first Colonial League Championship. The girls, led by team captains Holly Walker and Marie Turney, showed great determination as they fought off a rush of injuries and still came out on top.

There were many individual champions on the 1980 track team, both in the Colonial League and District 11. Pam Bowen won both leagues and districts in the two mile and she was also a member of the 3200 meter relay team. Joining her on this League Championship relay team were Marie Turney, Rose Ber, and Marianne Loch. The 400 meter relay team composed of Holly Walker, Lorianne Loch, Karen Chromiak, and Marie Turney took first place at the District 11 track meet, while Nancy Shipe copped second in the javelin.

Even though there are many senior girls who will be missed next year, a fine group of underclassmen will provide plenty of excitement for years to come.

Hey, Pam, take the subway!

## An Amazing Season!

The softball team had an amazing season with an overall league record of 15-3, which carried them as far as the District 11 semi-finals. You ask why it's amazing? Well, you may think that some of the reasons are that the girls displayed a stalwart defense and an easily ignited offense, which exploded when the going got rough. But the real reason was that all 22 girls worked together like a well-oiled machine that is constantly striving to do better. At the games, the girls seemed to be able to relax easily as Sharon Hucaluk provided a variety of sideline antics.

Although the season held many highlights for the fans, the most memorable moment was a no-hitter by Jill Millhouse against Wilson. Another highlight which proved to be memorable for Coach Mondschein (Miss Thomas) was the fact that the Roughies placed six girls on the Colonial League All-Star Team. Next year looks like it will be a rebuilding year for the Roughies, but this does not mean they can be taken lightly in next year's Colonial League chase.

Row one from left to right: Bill Lower, Scott Nace, Fred Hutterer, Mark Weber, Gary Wassum, Row two: Al Heckman, Keith Laudenslager, Mike Reimer, Blair Feher, Dave Spess, Scott Hahn, Row three: Coach Deutsch, Jerry Charvala, Bob Plara, Mike Deily, Carl Horn, Mick Firestone, Kevin Genovese, Coach Hawrylo

## Roughies Show Their Stuff In Clinch

This year the Varsity baseball team started out with high hopes and lots of enthusiasm. Even though the Rough Riders lost their first two games, their hopes were still high and they couldn't wait to play their league games. The first half of the season was a dismal one, in which the Roughies struggled to a 3 and 5 record.

When the second half of play opened, the Roughies came out smoking and ready to play good baseball. They started it off by revenging an earlier loss to Southern Lehigh and outslugging first half champion Pen Argyl by a score of 9-6. The Rough Riders' streak was ended with a highly controversial loss to Salisbury. The Roughies went in to the Saucon Valley game with a 2-3 record, but came out the spoilers when they dimmed Saucon's playoff hopes with a 9-5 trouncing of their previously unbeaten rivals. The Roughies went on to gain a three game winning streak with a 5-2 victory over Wilson and an 8-0 walloping of Palisades in the final game. Highlighting this season was an awesome display of power by the Roughies as they hit a total of ten home runs - three by Bill Lower, two by Carl Horn and Scott Nace, one by Kevin Genevese and two unheard of grand slams by Mick Firestone.

Rough Rider baseball has a good outlook for the future with a good bunch of junior lettermen returning and a solid group of sophomores coming up.

## One Base To Steal!

### Underclassmen Can Win Too!

The Carasauqua JV baseball team started the season fast, racking up victory after victory, but just as quickly ran out of steam to finish with an overall 7-6 record. The team, which was led by hard hitting Chris Gerhard and Mark Heffner, had an explosive offense all season long. They had a strong defense which was highlighted by an array of spectacular plays and masterful pitching.

Their outstanding hurling crew was led by the fireballing freshman Tom Byrd, and two crafty sophomores, Dave Krisovitch and Jeff Streirer. Included in their feats was a 14-0 no-hitter over Palisades by Byrd.

Coach Mishko, who normally doesn't receive much recognition, should be given a lot of credit, for he has been responsible for building the sound foundation upon which Carasauqua has gained a reputation for having a fine baseball program. Coach Hawrylo has been thankful for the workable talent which Coach Mishko has sent up over the years.

As the 1979-1980 sports season comes to an end, all the different teams at Catasaugua begin packing away their equipment as they look optimistically towards next year's season. Some of the underclassmen are already training in preparation for the competition next year. But the senior athlete is awakened to the fact that he or she will never compete for Catasaugua High School again.

A certain feeling goes through an athlete as he prepares for his last contest, and as he listens to his coach's final speech. At this time, emotion is at its height as a lump forms in everyone's throat and a tear glistens down their cheeks. When given time to recollect, a senior may think back to some of the thrilling moments and frustrating moments they have experienced and would give anything to relive them.

But eventually each athlete realizes that memories will have to be good enough and this empty feeling cannot be described in words.

# ACTIVITIES: AS THE

[illegible]

Do we really have to march in *that* mud?

Top: "Watch your hands, Michelle!" Above: Look what you did to that field!

## Rough Rider

This year, under the direction of Mr. Richard Milne, the Rough Rider Marching Unit strutted its way through another successful season. After competing in several local competitions, the band went to Veteran's Stadium and placed very high in the National Championship. They received the first place trophy at Whitehall High School in the Chapter II Championship.

Early in the school year, the music department decided to take a trip to Toronto, Canada, in spring. Eagerly, the members went to work selling pretzels, citrus fruit, raffle tickets, and the ever-famous band hoagies, in order to raise sufficient funds.

As the memories of this year's marching unit flashed by, one remembered . . . butt-flops in the mud . . . bandcamp . . . "Birth of the Blues" . . . getting sleazy . . . practices in the dark . . .

## Ready To Take

TA-DA!

The Perfect "10"?

## *Marching Unit*

## The Sounds

"And-a-one, and-a-two, and-a . . ."

## Making The

1980 was a year for beginnings. Mr. Richard Milne once again started a chorus, which consisted of 14 female parts, and performed at the Christmas concert and the Spring Concert.

Also started for the first time at Carasauqua was the Stage Band. Better known as Jazz Band, this group of about twenty trumpeters, trombones, saxes, and rhythm got together Tuesday nights for long hours of practice on music that seemed impossible to play. They worked hard for their fine performance at the Spring Concert, and also in Toronto, Canada, over the May 17th weekend.

Directed by Mr. Milne, the 48 instrumentalists of Concert Band practiced three days a week after school in the band room. It all proved worthwhile in the end when the Christmas Concert, with the Middle School Band, and Spring Concert, were such smashing successes. This group also performed in the competition in Toronto, Canada.

## Of Music!

### Music Together

The 23rd Annual Lehigh County Band Festival was held at Whitehall High School. Twelve students from Carasauqua performed with students from other area schools. Mr. Milne led the musicians through one of the pieces. Other schools participating were: Slatington, Southern Lehigh, Salisbury, Parkland, Whitehall, Emmaus, and Northwestern Lehigh. Overall, during the 1979-1980 school year, the Chorus, Jazz Band, Concert Band, and Country Band made great music together.

It's not such a small world afterall!

"How old are you now?"

## Around The Year

In early September, under the guidance of Mr. Laubach, the student council held a brunch to welcome the teachers back to school. This was the first of many events this organization sponsored this year.

Among several student council sponsored dances, the favorite seemed to be the Halloween dance. Everyone who attended was dressed in a costume of some type. Prizes were given for the best costumes in different categories.

At Christmas there was the Variety Show which featured many off-Broadway performances. An added specialty was the Senior's rendition of the *Nutcracker Suite* which was renamed after their performance as the *Nutcracker Sour*. As the assembly drew to an end, everyone joined in singing Christmas carols.

## *In Nine Short Months*

The Community Interest Committee decided to adopt two children from Haiti. This includes sending money to help pay for their meals and clothing. Pictures of these children were posted on the bulletin board. Three students were selected at the end of last year to represent Catasauqua's student council at the Student Fourm meetings the first Thursday of every month. Each month the meeting was held in a different school. They participated in discussion groups, shared their ideas, and worked together to solve some of the problems that arise in school functions. Through these meetings, our representatives were able to bring back suggestions to help make our student council run more smoothly and be of more service to the student body.

Our Fearless Advisor: Mr. Laubach

## *Roughie Spirit's Gonna*

Our Varsity Cheerleaders in Action

### *Brown & White*

It all started last summer at Lehigh University. Everyone was up and doing calisthenics by six o'clock sharp. After a series of jumping jacks, a few deep knee bends, and a quick lap around the track, the girls were ready to begin their daily routine of yelling, clapping, and stamping their feet. Now you may ask yourself, "What kind of girls spend their summer vacation sweating and working out?" The Carasauqua High School cheerleaders, that's who! They spend hours in the summer sun practicing their new cheers so that by the time football season rolls around they are in tiptop shape. Girls from all over Pennsylvania participate in the weeklong activities at Lehigh's cheerleading camp. It gives the girls a chance to make new friends, share their ideas, and sharpen their old skills.

Row one from left to right: Wendy Long, Chris Ford, Shelley Ruch, Cathy Shumack, Row two: Donna Kish, Marianne Loch, Ann Hurrerer, Sharon Roth

## Super Stars! Knock 'Em Dead

Finally, the new school year began and with it came the new football season. A pep rally was held in the school gym to get the team psyched up for their first game against Pius X. It was the cheerleaders' seasonal debut and as always they did a terrific job. The JV and the Varsity squads did cheers for their respective teams while the student body cheered along. Several senior girls participated in a skit which portrayed the events of the upcoming game as they expected them to be (with Catty the victor, of course!). This, however, was just one of the many performances given by the cheerleaders this year. After football season, they continued to cheer right on through basketball. Later in the year, the girls placed very high in several of the local cheering competitions. When the season did finally draw to a close, the exhausted but still smiling cheerleaders had a dinner at the Gourmer Inn to celebrate a successful season.

Pyramid Power

Above: Cheering Coach, Miss Gorndt talks to a future Roughie Below: Smile, you're on candid camera!

Cheerleader spirit in action!

## Gotta Pin For A Win!

There are many types of pins: safety pins, straight pins, fraternity pins, and bobby pins. But the pins these girls were concerned with were those made by the wrestlers in their matches. For the first time in the history of Carasauqua High School, there was a wrestling cheering squad.

In November, interested girls in grades eleven and twelve, met in the gym for practice. After a few days, tryouts were held and a squad of six was chosen to cheer on the Roughies. The squad consisted of three juniors and three seniors. At once, they began to get it together before their first match at Pleasant Valley High School in early December.

As the season went on the girls became more confident and improved a great deal. Everyone had a great time. Some of their fondest memories include . . . the bus rides . . . eating at halftime . . .

## A New Beginning!

Row one: Lisa Fix, Row two: Sharon O'Mara, Michelle Kyra, Row three: Melanie Zerfass, Diane Strein

## Service With A Smile

National Honor Society is a group of many individuals with one goal in mind, service and leadership. These students participate in different activities which aid others in their community. Some of the activities in which Honor Society members have participated in include helping at the library, reading to the blind, tutoring, and volunteering at local hospitals. No one gets paid to do these things - the satisfaction comes with knowing that they have helped someone.

Also, this organization held a poster sale in order to raise money for some community groups in the Catasauqua area. The brightly colored posters with witty sayings were a big hit among the students as well as the teachers.

In May, N.H.S. held an initiation ceremony in which they welcomed new members for the upcoming year.

Is our Vice-President Cathy Corcoran embezzling our funds?

## Today's Competitors

Ms. Logue displays the FBLA symbol.

### Future Business Leaders

The Carasauqua High School Future Business Leaders of America proved that they were true leaders throughout the year. The elected 1980 officers were:

*President:* Karen Tognoli, *Vice-President:* Kathy Buchman, *Treasurer:* Robin Miller, *Secretary:* Karen Everett, *Historian:* Joan Zimbar, *Recorder:* Becky Reiss.

The chapter, advised by Ms. Logue and Mrs. Boyer, had a fine showing at the FBLA Regional Conference held at Salisbury High School on Wednesday, March 5.

The following girls were awarded trophies and certificates of placement in the business test competitions: *First place:* Karen Tognoli - Miss FBLA, Missy Fedor - Shorthand II, Karen Everett - Business English, Sharon O'Mara and Lorianne Loch - Poster Contest.

Row one from left to right: J. Gillespie, K. Buchman, E. Hahn, J. Chromiak, A. Marth, T. Elias, Row two: S. Broderick, G. Bras, D. Dreisbach, B. Koppenhaver, A. Mark, T. Schlener, D. Moats, J. Zimbar, Row three: T. Houtz, K. Everett, K. Carpenter, H. Walker, S. O'Mara, R. Miller, K. Tagnoli, Row four: Mrs. Boyer, B. Reiss, N. Dibler, L. Cebrosky, P. Dierer, J. Shubert, M. Fedor, A. Litro, Miss Logue

Counting errors??

## Tomorrow's Leaders

### Cop Top Honors

Second place: Catasaqua - Outstanding Chapter, Holly Walker - Office Procedures, Donna Moats - Business Law, Third Place: Sandy Shipe - Shorthand I, Terri Schlener - Shorthand II, Elaine Hahn - Accounting I, Denise Brenkacs - Public Speaking, Geraldine Bras - Business Communications, Fourth Place: Joan Zimbar - Business Law, Fifth Place: Colleen Wilson - Shorthand I, Robin Miller - Business Communications.

The chapter capped a great year at the State Conference which was held in Lancaster on April 27th and 28th. Karen Tognoli was named *Miss FBLA* of 1980. Karen was also given a third place in the Future Business Leaders of Americas *Who's Who*. Elaine Hahn was named as the Eastern District Representative. Donna Moats gained a third place in Business Law. This wound up an excellent year of which all the girls should be proud.

Is Mrs. D. a former Future Business Leader?

## The Sweet Smell of Success

Is Lisa in the glue again??

In early September, candidates for the 1980 yearbook staff congregated in room 112 after school. Everyone filled out questionnaires as to what area of production they were interested in. There were more than enough applicants to fill every position. Miss Falco, rookie that she was as a yearbook advisor, carefully studied the applications and with the help of some of the other teachers, chose who she thought would be suitable for each job.

At the next meeting, the editors were announced and immediately they began to decide on a theme. After several suggestions were considered, *Days of Our Lives* was decided upon. Next, the editors began to concern themselves with the length and basic layout of each section. There were pictures to be taken, articles to be written, captions to be created and pages to be submitted to the company for printing.

## Meeting Deadlines is Something

Yearbook Staff, Row one from left to right: Ann Bossler, Dorothy Tong, Carol Doyle, Katrina Bruchak, Row two: Laura Gutierrez, Richard Pierce, Fred Hurrer, Lisa Fix, Row three: Paul Brown, Jerry Charvala, Debbie Bolmer, Advisor Miss Falco

In addition to working on the book itself, the staff busied itself with planning fund raising dances. The Toga Dance held in December gave students a chance to display their Roman Costumes. Prizes were given for the best toga and also for the John Delushi look alike. It was a great evening for all who attended.

The second dance held by the yearbook staff was called *Unite Nighr*. Dancers dressed in clothing to represent their favorite styles of music. Costumes included everything from punk rock to country western.

This year's *Brunalba* staff members proved to be a group of efficient, hardworking kids, but along with their furious attempts to meet the deadlines they managed to have a lot of laughs and just plain old great times!

Post deadline fatigue!!!

## Gym Club Flips!

### Flip, Flop And Away!

With bounding leaps, jumps, and vaults, the gym club completed the 1979-80 school year with grace and ebullency. This year's club, under the leadership of advisor Miss Thomas, President Terri Schlener, Vice President Lorianne Loch, Secretary Missy Fedor, Treasurer Angie Litza, and Historian Mary Lukas, met on Wednesday nights for about an hour and a half. The club's activities began with warm-ups. Then the girls broke into various aspects of gymnastics including tumbling, uneven bars, balance beam, and the club's favorite, the mini-tramp culminating in a leap into the crash mat.

Barb gets a helping hand

All in all, the club's members and officers added up to an outstanding crew.

## Broadway

As the curtain opened and the lights were set, the 1979-80 Drama Club stood prepared and waiting to execute another year of fine performances.

The first of the club's two productions was *The Effect of Gamma Rays on the Man-in-the-Moon Marigolds*, featuring the theatrical talents of Judy Dinan, Terri Schlener, Jill Schafer, and Karrina Bruchak.

For the year's second production, Director Bob Fahringer decided to undertake a musical-comedy in the form of Anthony Newley's *The*

## Drama Receives Standing "O" For

"And now, a word from our John"

## Hits Catty

*Roar of the Greasepaint the Smell of the Crowd.* Fahringer, with the assistance of Musical Director Richard Milne, then held auditions for the various parts in the show. The chosen cast exhibited the acting and singing abilities of John Harvey, Karen Tognoli, Dave Dougherry, Lori Skripek, and a chorus of thirteen, along with cameo performances by Dave Linton and Mike Deily.

Both shows reaped much success along with providing a great source of enjoyment for both cast and audience.

The many faces of drama.

### Pros And Cons

The Debate Club terminated the 1979-80 school year with a final record of 19-29. The first of four tournaments was held at Whitehall High School where the team won 5 and lost 7 debates. There were other regular round tournaments: at Slatington (3-9), Palmerton, (4-8), and Northwestern (7-5).

The team of Kathy Dale and Sue Strohl amassed an amazing 8 win, zero loss record. The next best effort was registered by Katrina Bruchak and Pam Bowen with a 6-2 win/loss.

This year's debate finalists consisted of the year's top debaters. The members included Kathy Dale, Katrina Bruchak, Pam Bowen, and Sue Strohl. Despite their outstanding season record, the finalists were defeated in the early rounds of the semi-finals.

"Four score and seven years ago . . ."

"I don't think so."

## Think Alike!

### The "Price" Is Right!

With the sight of the camera and the roar of the microphone, the Scholastic Scrimmage team began the 1979-80 school year with a buzz. Its membership, consisting of Cathy Corcoran, Katrina Bruchak, Pam Bowen, and Joe Nicholas, started the season by passing a written test. Then, to prepare themselves for their first contest, they engaged in many challenging sessions of Jeopardy and Double Jeopardy. Their first bout was to be at WLVT-TV, Channel 39 in Allentown, where they met their opponents from Pen Argyl High School in a match of "quick recall and scholastic aptitude." Host Harry Price began the contest and the team started out well, but the match finally culminated with the narrow defeat of the Rough Riders.

Row 4: Joe Farah, Scott Nace, Russ Tabor, John Harvey, Blair Feher, John Yaneek, Mary Lukas, Dave Dougherty, Rick Moser, Dianne Coyle, Alan Heckman.

## *Let It Snow!*

White slopes and warm lodges greeted the Carasauqua Ski Club this winter. Advisor Miss Logue and President John Harvey had their hands full as many enthusiastic skiers turned out to go skiing. Although the first trip was cancelled because of lack of snow, the next trip to Little Gap was very successful. The club then continued their season with three trips to Doe Mountain, two more to Little Gap, one to Hahn Mountain, and one to the big one, Camelback. Overall, the year was a big success and all await the first snowfall next year.

## *Ski Club Hits The Slopes As*

Officers - Marcy McGivern, Jane Chromiak, Advisor Ms. Lynda Logue, John Harvey, Sharon O'Mara, Mary Lukas.

## Way To Go!

As the microphone blared their introduction, and the sound system blasted to the tune of Channel 1, the 1979-80 Winterguard took the floor. This year's guard, under the leadership of captains Lisa Markowitz and Denise Brenkacs, and Instructors Kathy Musser and Bob Musser, had one of its most impressive seasons. The guard placed first and second in many season competitions and culminated the year by placing first in the Chapter Six Tournament of Bands Championship and second in the Chapter Six National Judges Association Championship, both held at Smith Hall, Slatington. This year for the guard was characterized by such saying as "Have a Coke and a Smile", "Pepsi", and the "Big Burp".

A combination effort of both members and instructors made for a guard that was really tops.

Duck!

## Winterguard Hits The Top

# STUDENT LIFE!

PIZZERIA  
ITALIAN AMERICAN SANDWICHES

# The World

## Hang In There!

After 2:45 each day and on weekends you can find Carry students in many varied places doing whatever it is they like to do best. Some people like to eat. These people can be found having a pizza at Angelo's — a local pizzeria in Carry. Others like the more traditional American food of McDonald's — the Big Macs and the ever famous french fries.

Some students would rather spend money or just browse and for this there are no better places than the Lehigh Valley and Whitehall Malls. Other kids just like to cruise. Favorite places for this are the Northampton circuit, which runs through Main Street in Northampton, and the Allentown circuit, which runs down Hamilton Street.

Though all these things are fun, some people just like to hang out and for this there is no place better than the Catasauqua playground.

## *Out Of This World*

## Catty Disappointed By Tie

The Homecoming festivities came to a climax as Catasaqua traveled to Al Erdosy Field to play Northampton in their traditional Thanksgiving Day rivalry. The Roughies were picked as underdogs but this didn't seem to get them down. After emotional speeches by Head Coach Ed Csencsits and trainer "Doc" Warmkessel, the Roughies started the game with a bang. Catty blockers sent the kids sprawling on the opening kickoff as Fred Hutterer eluded a Northampton defender and raced 75 yards for a quick touchdown.

The Kids got their only score at the end of the first quarter on a turnover which gave them the ball on the Catty 25 yard line. This deadlocked the score at 8-8, and the rest of the game was a fierce battle fought mostly in the trenches. The Roughies seemed to have the upper hand the remainder of the game but couldn't get the big play to score the winning touchdown. With the end of the game near, Catty battled desperately for the victory but was unable to get good field position as Northampton seemed content to settle for a tie.

Student Council President John Yanek introduces guest speaker Vince Rogusky.

Do our teachers really look *that* bad?

Legs fit for a King! King of the Legs Glenn Shipe observes Thanksgiving Pep Rally activities.

Missy Fedor asks: "While I'm here, who's watching the 'Kids'?"

## *Out of This World*

The football players are thrilled for Football Queen Missy Fedor and her Court.

## *The Envelope Please . . . .*

Nineteen seventy nine was the second year students decorated the halls to show their Carasauqua spirit. The seniors displayed their "Senior Hall of Fame", showing sketches of each senior football player and coach. Other decorations, by each of the classes, brightened the school and heightened team spirit.

Carry spirit was shown not only in the high school, but also during the traditional Thanksgiving Pep Rally. Many contest results were announced during the rally: Al Shiminick won the Bonfire Baby Contest and Glenn Shipe was voted the King of the Legs. Students chose Missy Fedor as their Football Queen and her court included Laura Plata, Robin Miller, Angie Litto, and Shannon Boyle. Last year's queen, Ellen Firestone, presented Missy with the traditional crown.

Speakers for the pep rally included John Yanek, president of Student Council, who emceed the program; Vince Rogusky, an alumni of Carasauqua, who talked about school spirit and a sense of pride; and Ron Hassler, a teacher at Lincoln Middle School, who spoke about winning *and* losing with class and style.

The night before the game each class performed skits designed to show their spirit as a prelude to the Bonfire. The skit performed by the Junior Class won for their fine impersonations of the football players and coaches.

All of these spirited events during Homecoming week proved to the team that the school was behind them one hundred percent.

Al must have been a beautiful baby!

## From Roman Sandals To Disco Roller Skates

The yearbook staff started the new year with original ideas, a new advisor, and an old problem. Their treasury was not large enough to cover the publishing expenses for the 1980 *Brunalba*. Immediately, the editors put their heads together to think of fund raising activities. After considering several alternatives, all agreed on a Toga Dance. The planning began. There were posters to be hung, announcements to be made, and disc jockeys to be signed. Everyone went to work and on the night of December 15, 1979, flocks of "Romans" poured into the high school gymnasium to boogie the night away with the LCCC disc jockeys. All sorts of unique togas adorned with wreaths, jewels, and sandals were on display. Some were long, others were short. They ranged from white to solid colors, flowers to stripes. One of the highlights of the evening was the judging of the best toga — worn by senior Jeffy Charvala — and the "John Belushi" look alike — Mike Lansenderfer.

Although the dance was a huge success, the funds were still insufficient. Once again the staff had to come up with another idea. Because the first dance was such a big hit, they decided to hold another one in mid-January.

The dance, entitled Unire Night, was a tribute to the various types of music across the country. Students came dressed in a costume representative of their favorite musical style. When the doors opened at eight o'clock, representatives of country-western, rock and roll, Hawaiian, disco, punk, soul, and even classical music, crowded the dance floor. For a special treat, everyone gathered around to watch Miss Falco and her dance partner, Nick White, do a disco routine. Unire Night brought out the best in many Carasauqua students.

Carasauqua's version of *Dance Fever*.

This is only the apperizer!

Jim Schaffer asks Missy Fedor: "Did you see the latest polls?"

Right: Sometimes I feel like a nut, sometimes I don't!

# Here In Our World

## Readin', Writin' And 'Rithmetic

Although Carasauqua High School is among the smallest schools in the valley, various courses are offered. Because the classes are relatively small, teachers are able to give the students individual attention.

The English classes had the privilege of attending many theatrical productions at the Rodale Theatre in Allentown including *Dracula* and *The Glass Menagerie*. Mr. Rothrock took several students to see *Peter Pan* starring Sandy Duncan on Broadway. Current Issues traveled to Allentown to visit the courthouse and witnessed judicial procedures. Mrs. Hartman and her Spanish speaking friends viewed the famous "Flamenco Dancers" perform in Allentown. While studying hematology, the advanced biology classes toured the Miller Blood Bank.

Some of our students attend the Lehigh County Vo-Tech school where they learn trades such as welding, auto-mechanics, and interior design.

No matter what field they choose, the students of Carasauqua High School continue to excel.

Jim Scheirer and Kerrie Quinn: "You can ring my bells."

Ann Bossler and Dave Gerancher: "I thought my X-mas present to him would be such a surprise."

Blair Feher and Shannon Boyle: "She always bears me at arm wrestling."

# Dreaming Of Our World

## A World Of Romance

As the recent Billy Joel hit goes, "Everybody Has a Dream." And the dreams of many were fulfilled on the evening of May 3, 1980, as they floated across the dance floor at the Junior-Senior Prom. It was an enchanted affair where everyone looked great, felt terrific, and had a fabulous time. The famous T-shirts and jeans seen around school were replaced by glamorous gowns and tuxedos. To add to this elegance, every girl had either a nosegay or corsage arrangement of bright spring flowers. No one could help but smile joyfully in this Cinderella atmosphere!

The success of the prom can be attributed to the hard work and careful planning on the part of the junior class. Cutting out hundreds of foil stars and streamers was no picnic, but their devotion paid off. Among the decorations was a garden and a silhouetted mural which provided the scenery for many pictures. Refreshments consisted of finger sandwiches, miniature cupcakes, fresh fruit, and punch.

Keeping with tradition at Carry High, most of the couples dined at a special restaurant after the prom. A popular place to eat was the 1760 House in Trexlertown. Following a scrumptious meal, about twenty couples went home to change into dungarees and sweatshirts and met at the Blue Ridge Ranch for a 3 A.M. hayride. The moonlight and 68° temperature added a romantic glow to the event. Others who had not attended the hayride chose activities such as bowling or going for a quiet ride to watch the morning sunrise. A few brave couples that were not totally exhausted from the evening's excitement went out for breakfast, but the majority went home to get some sleep. No matter what path they decided to take that night, most will agree that they will always have the memories of this year's prom tucked away in their hearts.

# Fun In Our World

## Seniors Splashdown At Picnic!

As the first hamburger was dropped onto the grill and the first stream of birch beer spewed from its keg, the Senior picnic of the Class of 1980, held at Camp Friendship in the Lehigh Parkway, commenced. The grills, manned by Miss Partel and many hungry assistants, delivered a never-ending flow of hot charcoaled burgers, broiled to perfection, into the mouths of anxious seniors. Advisor Pat Callahan and chaperones Mrs. Callahan, Mr. Milne, and Mr. Miller, stood guard over the other food and two large cakes while Seniors enjoyed the sunshine while throwing softball, catching frisbee, and engaging in squirt gun battles. The cool stream grew tempting to some as a few brave seniors found courage to enter its waters. In a large innertube, Shannon Boyle and Alan Heckman floated placidly downstream while Katrina Bruchak went for an involuntary swim.

All in all, the Senior picnic was enjoyed and will be remembered always.

*Below: Smiley takes a bath*

It's got to be bacculaureate, it's too formal to be a football game.

Pastor Shafer speaks to the graduates at bacculaureate

## ***Bacculaureate Warms Chilled Graduates***

Reverend Robert Crall of the Presbyterian Church of Catasauqua and Reverend Eric Shafer of the Holy Trinity Memorial Lutheran Church presided over the bacculaureate service this year. Reverend Crall performed the invocation and benediction and gave a beautiful prayer for the graduating class, while Reverend Shafer gave a most eloquent sermon. Leading the senior class for the bacculaureate ceremony were junior honor students Pam Bowen and Scott Metzger. The ushers at bacculaureate were members of the National Honor Society. Organists performing were Jill Schafer and LeeAnn Oranczak. It was a beautiful, if chilly, outdoor ceremony that left all participants with a great sense of joy.

## ***A Spiritual World***

# And Yet Another World

## First Class Of Decade Bids Farewell

On June 9, 1980, the 145 members of the senior class looked to the rainy skies in dismay. And although the commencement exercises would have to be held indoors, not one person was less eager to graduate.

Soon the familiar *Pomp and Circumstance* sounded and the seniors, in caps and gowns, rather than the usual jeans and t-shirts, piled into the auditorium. Hundreds of smiles appeared on the faces of the proud parents and friends who filled the auditorium.

Reverend Eric C. Shafer led the ceremony by giving the invocation. Then senior class president, James Schaffer, introduced the first two speakers, Judith Dinan and Charles Housel, who gave the welcome and spoke of the past respectively. Angela Litta, historian, honored the Class of 1930 who came to share in the joy of this event.

After receiving her diploma, class secretary Melissa Fedor proceeded to read the names of the other graduates. When all the diplomas were distributed, James Schaffer led the members of the class as they turned the tassels on their caps.

Two class gifts, a large painting and a check to Muscular Dystrophy were presented by treasurer Laura Plata. Vice-president Alan Heckman then introduced the remaining student speakers. Valedictorian Theresa Schlener spoke of the future and the challenges it would hold, and salutatorian Katrina Bruchak bid a farewell to Catasaugua High School.

With tears in eyes and diplomas in hand, the Class of 1980 joined Karen Tognoli in singing the Alma Mater while reminiscing about a grand yesterday, but looking toward an even better tomorrow.

*Right: Hugs and kisses after graduation*

## Jubliant Juniors

Junior Class Officers: *Top:* Lois Adams, Crystale Long,  
*Bottom:* Jane Schubert, John Harvey, Lori James

This year's junior class, led by advisor Mr. Charles Post and President John Harvey, is looking forward to the end of another very successful year. Supporting these capable leaders are Vice-President, Lori James; Secretary, Lois Adams; Historian, Jane Schubert; and Treasurer, Crystale Long.

The year started with a cookie sale in which hundreds of boxes and cans of cookies in the form of Cookie Poppers, the Garden Assortment, and the Mambo Tin were sold. This was followed by the Psyche-Up dance in mid-November. To keep warm this winter, the juniors welcomed the task of selling refreshments at home J.V. and Varsity Boy's Basketball games. The culmination of the year was the prom, the theme of which was, "Everybody Has a Dream."

## Juniors First

This year's junior class has been more than just average because of the class as a whole and because of a special few.

John Yanek, a junior, was the president of the Student Council. For the first time in the history of Catasauqua High, a junior had been elected to this prominent position.

Colleen Wilson and Robert Pierce will be the first students to begin college directly from their junior years. Colleen will attend Wesleyan College in Allentown, and Bob plans to attend either Lehigh or Drexel University.

Carl Erie is also an outstanding junior, being one of Catasauqua's few junior quarterbacks and being named to the Second Team of the Colonial League All-Stars.

These individuals have been unique in their achievements and this will be a class long remembered.

## The Good, The Great And The Outstanding

At all schools there seems to be a few special students who stand out high above all others. Our school is no exception.

From a musical aspect there is Glenn "Stoag" Longenhagen. Glenn, a born musician, has been playing the drums since age five, the piano since age nine, and the guitar since age twelve, all self-taught. His musical talent all seems to be inherited from his father, who played the sax and other instruments with Benny Goodman and his Orchestra.

From the "Wide World of Sports" there comes Lori James. Lori's special talent, although she participates in field hockey and basketball, seems to be in track. She holds the school record in track events such as the 440 relay, 220 dash, and both the

triple and long jump. In both her sophomore and freshman years, Lori earned the privilege of participating in the State Track Meet. During her first year she earned the state championship in the triple jump and placed second in the long jump. In the former, she now holds the state record of 39 feet, 3 inches. During her second state meet, she placed third in both the long and triple jumps.

From the theatrical position there is Lori Skripek. Lori is quite active in school and local theater. Starting at the age of eight, Lori appeared in many children's productions including *Punch and Judy* and *You're a Good Man, Charlie Brown*. After her first taste of the "limelight", Lori entered higher realms of theatre, such as *Fiddler on the Roof*, *Oliver*, and *Bus Stop*. She is currently taking vocal and dance lessons and hopes to enter a career which will include theater.

## Super Sophs

For every Sophomore Class the year begins with the choosing of an advisor and officers. This year's Sophomore Class was no exception. Mr. James Angeline was chosen to fill the position of advisor for the Class of 1982. The class then elected officers for the 1979-80 school term. The new team, headed by President Ryan Rogusky, would be responsible for money making and school related projects. Vice President Jeff Miller, Secretary Robyn Harvey, Treasurer Debbie Washburn, and Historian Ann Hutterer initiated their first project during the Thanksgiving festivities with the organization of a successful skit and hall decoration. Their fund raising endeavors proved quite profitable. Projects included: Crystal Etchings, the Valentine's Dance, and a candy sale. The class looks for more success in the future.

Sophomore Class Officers - *Sitting* - Vice President, Jeff Miller; Treasurer, Debbie Washburn; *Standing* - Historian, Ann Hutterer; President, Ryan Rogusky; Secretary, Robyn Harvey.

Sherri Hahn winds up to drive.

## The Strong And The Wrestling

Like all other classes, the Sophomores have their special members who stand out in their respective categories. Ryan Rogusky, the class president, is an outstanding football player and has "suired up" for the Varsity team line-up for a few games. Ryan is also a valuable member of the Rough Rider Track Team: his excellence is shown in weight events, such as shotput and discus.

In the Wrestling department the sophomores also have their extra special members. Chris Gerhard, the teams 135 pound member, placed 2nd in the Colonial League Tournament, quite an accomplishment for an underclassman. Another sophomore member is Joe Lovelace, the teams 142 pounder. Although he was defeated in the second round of the District Wrestle-Offs, Joe accumulated a 12-0 win-loss record during the regular season and placed 4th in the Colonial League Tournament.

Sophomore Karen Chromiak's goal is Field Hockey.

## The Winners And The Achievers

The "Class of 1982" is backed by a great number of female standouts. Supporting the Rough Riders is Michele Heffner. This 5'1" Sophomore has seen Varsity line-up action in both her Freshman and Sophomore years and was a key player in the 1979-80 season, earning her letter. Despite her size, Michele (Known to friends as "Twink") is an all around athlete.

In the course of Cross Country, sophomores Cara Slutter, Debbie Washburn, and Lori Schadler have been great assets to the team, lettering in both their freshmen and sophomore years.

Another sophomore credit is Robyn Harvey. Robyn, an excellent gymnast, was the only sophomore member of the 1979-80 Varsity Cheerleading Squad. Although not the first sophomore on the Varsity Squad, she was certainly one of the best.

**The Lost And The Searching**

With the sounding of the bell to mark the opening of the 1979-80 school year and the commencement of their high school careers, Freshmen stormed the halls with excitement and apprehension. Each was armed with a newly attained tablet, pencil (bearing the school name), and an incomprehensible schedule, the latter containing in its right hand corner a lone number followed by a sequence of three numbers . . . the dreaded locker combination, a pet peeve of all newcomers.

Throughout the day, these high school neophytes suffered many symptoms of "First Day-itis". Stiffness of the neck caused by curiosity of the new surroundings and searching for room numbers. Soreness of the feet constricted by stiff new shoes bought solely for the first day occasion. And last, confusion of the head stemming from trepidations such as "Will anyone notice the hole in my sock?" and "Does Mr. Callahan really bite?"

With great enthusiasm, the "Class of 1983" looks forward to a successful future in the "Little red schoolhouse on the hill."

"Hey Beth, you're off key!"

## Is There Life After Middle School?

When making the leap to the high school from the middle school, freshmen find many dissimilarities from previous years.

Privileges forbidden at Lincoln are commonplace happenings of high school life. Such privileges include legalized gum chewing. When entering the cafeteria, many surprises await. For a few cents extra, one can purchase chocolate milks, ice cream, and extra food. Two lines operate for faster food service and assigned seats are unheard of. Last period activity sessions are no more, and students with 8th period study hall are permitted to leave the building. The climb to the high school is one of new encounters, bringing the new freshmen class another year closer to graduation.

## A Freshman Is . . .

Climbing the big hill for the first time  
 Wondering what high school's like  
 Wandering through the long lonely halls  
 Ending up in the wrong room  
 The old, patched varsity uniforms  
 Seats in the front of the bus  
 Deciding on a class advisor  
 Planning future fund raisers  
 The basketball team 19-0  
 The football team 7-0-1  
 Never having to share your locker  
 The beginning of the end.

Look, up in the sky, its a "Byrd".

Right: "Herr" raising freshmen.

As the 1979-1980 school year draws to a close, we realize that we have come a long way. However, there is a much greater distance to travel with many fascinating challenges to accept. Our school days have been the foundation of our education and with every new experience, we will continue to grow. Although we bid a fond farewell to the years that have just passed, we extend an enthusiastic welcome to those ahead of us. While looking back on Carasauqua High School, we will recall that it was a place to learn, a place to love, and a place to remember.
